Pizza & Preplanning

Thursday, April 13, 2023
6:00 PM

Madelia American Legion Post 19
36 1st St NW | Madelia, MN 56062

We're hosting a **free 90-minute educational program** on Thursday, April 13th, and we hope you can join us.

Relax with your neighbors, enjoy pizza, and listen to a panel of experts as they discuss some important topics.

The events of the past 3 years have touched all of us and had a dramatic impact on our lives. As a result, **things seem to be changing often and changing quickly**, making it difficult to know what type of planning we should be doing to protect ourselves, our assets, and our families.

Now, more than ever before, it's important for us to have updated and correct legal forms in place. **Powers of attorney, wills or trusts, health care directives, funeral and/or cremation directives, and long-term care options and preferences** all play a role in our end-of-life planning. Many of these tools are actually fairly simple to set up and affordable, if done in advance.

Advance notice is required to assist us in our preparation, and **seating will be limited so please reserve your space early.**

We sincerely hope you can find the time to join us. Please feel free to **invite a friend or family member to attend with you**, and we look forward to seeing you there.

Everyone who attends will receive a folder of take-home information.

Advance registration is required to assist us in our preparation of seating, handouts, and food.

Please call 507.642.3214, email jeannid@sturmfmh.com, or text 507.227.1138 to reserve your place.

This invitation is being distributed to the entire community. Please accept our sincere apologies if this reaches your home at a time of bereavement or serious illness, as such was not our intent.

A HOBBY BREWS INTO A BUSINESS

By Anna Vangsness • Photos by Susan Bottin

A multi-year beer brewing hobby has evolved into a full-fledged operation for Caleb Fenske. His passion project, Lost Sanity Brewing, is located on Main Street right in the heart of Madelia, Minn. Fenske co-owns the brewery with his father, Doug Fenske.

The Madelia native embarked on his beer brewing journey in 2004 when he happened upon a home brew kit at Don's Hobby Shop in Mankato. A tried and true light lager drinker, Fenske wanted to see what the growing interest in craft beers was all about.

ANNUAL MEETING

First Presbyterian Church, St. James
706 Third Avenue South

The Great Storm: Minnesota's Victims in the Blizzard of January 7, 1873

On January 7, 1873, Minnesota residents experienced a violent blizzard when dozens of people died primarily on the state's flat, tree-less prairies. Kandiyohi County native, Carolyn Mankell Sowinski, takes the reader back 150 years and tells the stories of these victims in her latest book, **The Great**

Storm: Minnesota's

ta's Victims in the Blizzard of January 7, 1873. She has identified 84 people from 31 western and southern counties who died in this storm: men and women; children and babies; Civil War veterans and recent immigrants; homesteaders and villagers; state residents and visitors. Friends died together; neighbors died together; family members died together. Many died alone--suffering for one, two, or all three days.

In her presentation Sowinski will share stories about the Watonwan County victims: eight who died in the blizzard and one young girl who had amputations. She will read excerpts about the storm, highlight some historic documents about the victims, and provide helpful hints when doing research. Sowinski will have books for sale at the event (cash or check). The author has five books about her ancestors and Minnesota history available on Amazon.com.

Tickets may be purchased from any board member or at WCHS. The meal will once again be catered by Hometown Café of St. James. Tickets are \$20.00.

ORDER TICKETS EARLY! TICKETS WILL NOT BE SOLD AT THE DOOR OR AFTER APRIL 3.
