Join The Madelia Area Chamber of Commerce Board of Directors!

I'm looking for three chamber members to join our board as a director.

Each year the chamber board has three open chairs for new directors to serve on our nine-member board. As a director you will play an active role in guiding, planning, working and developing the future of the Madelia Area Chamber.

Our Board is very active. They are committed to provide opportunities and events that will encourage business and community growth.

This is an amazing journey of a 3-year term with monthly board meeting, usually the first Tuesday of each month at 5:30 pm in the Chamber conference room. New directors will be voted in at our annual meeting, scheduled for Tuesday, February 21st, 2023.

Join us as we continue our goals and look for new ways to support, create and strengthen local business. To create excitement, make Madelia and our area a destination.

Let me know if you are interested. I would love to tell you more.

Fruit Tree Grafting Class

With John Knisley, Alternative Roots Farm

Learn how to graft your own Fruit trees!

In this class we will teach you how to propagate your own apple trees. We will discuss the time-tested techniques of fruit tree grafting including grafting tools, timing, proper scions and rootstocks. Attendees will practice what they learn by "Whip & Tongue" grafting different varieties of apple trees using modern day rootstocks.

Each participant will take home 3 newly grafted apple trees to be planted on your own property. Additional rootstocks available for purchase at class. All materials and tools will be provided for the workshop. You can bring your own grafting knife if you prefer. We will bring a variety of apple tree scions to the workshop for grafting.

Optional: Bring scions of your favorite old apple tree if you would like to graft these at the class. (Call John, 507-439-6541, for tips how to properly collect scions.)

**\$55 Registration
includes three grafted
apple trees.**

**Mankato – Saturday, March 11
Wooden Spoon – 515 N. Riverfront Ave.
Time: 9:00 AM – 4:00 PM
Cost: \$55 / participant**

You Bring:

- Large trash bag, & pot/bucket to take your grafts home in.
- Lunch or snack for yourself.

Registration & Payment:

- Registration must be paid in advance.

Madelia Area Redevelopment Corporation Launches Community-Focused Website

New Website Positions Madelia, MN as an Innovative and Forward-Looking Community

MADELIA, MN -- Madelia Area Redevelopment Corporation (MARC) recently launched a newly designed website, created by Golden Shovel Agency, to further strengthen its online presence and foster economic growth. The intuitive nature of the website facilitates a user's desire to explore the various different pages.

"There were three goals we primarily focused on with the website redesign," said Glen Christensen, MARC Board President. "First, we wanted to highlight Madelia as an innovative and forward-looking community. Second, to showcase the close partnerships between the community, area businesses, city government, and school district. And finally, to promote economic development."

The newly designed website will also improve the organization's marketing efforts. By coupling state-of-the-art technology with a second-to-none economic development agency, MARC is excited to tell the story of why Madelia is the best place to work and raise a family. For those who are looking to start or expand a business, find a great family-friendly location, or to be part of a modern and progressive school district, Madelia has it all.

"Working with Madelia Area Redevelopment Corporation on this website project has been a great experience," said Aaron Brossoit, CEO of Golden Shovel Agency. "We look forward to all the great things that will come with this website design project."

You can view the newly designed website at <https://www.growmadelia.com/>

MADELIA AREA REDEVELOPMENT CORPORATION actively promotes the growth of Madelia through the implementation of a strategic marketing plan and by bringing stakeholders together to further critical economic development initiatives like broadband expansion and site development. The MARC team is available to assist new and existing businesses, developers, and families interested in growing in Madelia.

GOLDEN SHOVEL AGENCY is a full-service economic development marketing agency that believes thriving communities improve everyone's lives. Everything it does connects businesses and talent with communities they'll succeed. It does this by empowering economic developers through groundbreaking economic development communications. Golden Shovel has helped hundreds of communities across the globe shape and tell their stories to strengthen the vitality of their regional economies.

www.designhomecenter.com

Design Home Center in Madelia will be moving locations! The tentative plan is by April first Design Home Center will be opening a showroom at 127 Main Street West, Madelia. We will display various home and farm construction products at this location. A few of the day-to-day details are still being worked out. We do plan on having daily office hours and scheduled appointments are always encouraged. Design Home Center in Madelia will not inventory product at this location. However, we will provide as prompt delivery service as possible from our New Ulm location. Our goal is for same day or next day delivery on stock inventory.

The Decision to move was not an easy one for the location and space was positive and truly appreciated. Staffing was the major factor in this decision, as both Madelia and New Ulm locations are in need of additional personal. Design Home Center is committed to serving the Madelia community. We feel, with community cooperation that we can effectively do that with this move. Design Home Center would like to thank everyone for their business over the last three challenging years. We hope to maintain a strong relationship within the Madelia community and continue to build our customer and contractor base.. Thank you. Tom (Shep) Kienlen.
