

~January 2022 Newsletter~

I am so proud of our amazing community, Madelia!

Our leaders and business owners continue to develop and encourage new visions for our future growth. Along with our growth we have outstanding community support to maintain our hometown values.

Some recent excitement is Madelia Health’s expansion to Lake Crystal and Truman. Midwest Machining and Minnesota Golf Carts both building in new locations. A new government center to be completed in 2022 to house our city offices, Police and Fire Departments. Tony Downs Foods continues to expand adding job opportunities. Our city park adding 28 more campsites and new housing projects in River View Heights, just to name a few.

The Madelia Area Chamber continues to promote our members and tourism in the Madelia area. We are a strong, active and viable organization. With 100 percent membership retention and sixteen new members in 2021. Our membership area has grown to Lake Crystal, Mankato, New Ulm, LaSalle, St. James, Hanska and of course Madelia.

Not only does the Chamber promote the Madelia area as a destination for shoppers and visitors, but we have also reached millions of viewers on our social media and through our new website. We share business referrals, information on products or services, job opportunities, tours, relocation to the Madelia area, and opportunities to volunteer. And we offer six marketing tools available only to our members.

Our Goals: To create excitement, make Madelia and our area a destination – “Unlike Anywhere Else in Southern Minnesota”, ask more questions, continue to support members in every possible way, and collaborate with economic development. We are a team!

Today is the perfect time to become a Madelia Area Chamber member or renew your membership. Only with your membership can we continue our journey in making the Madelia area the best place to live, work, shop and play.

Katie and I would love to visit with you about a chamber membership, sponsorships, or volunteer opportunity. We also invite you to our Annual Chamber Meeting on Monday, February 7th at Lost Sanity Brewing starting at 5:00 pm. Look for your invitation in this newsletter. Please stop in or contact us anytime.

New Madelia Government Center Design Unveiled

Facility to be home to new City Hall, Police Station, and Fire Hall

Madelia, MN— December, 8th 2021 — The outdoor design of the new Madelia Government center has been unveiled for the public to see. The Government Center will be the home for City Hall, Madelia Police, and Madelia Fire. The project is expected to be completed in the Fall of 2022.

“The design will be a great gateway to the Madelia community at the prominent intersection of Drew Avenue and Main Street”, said Lee McCabe. McCabe represents PHLAG who won the contract through open bids to build the project.

In early 2021, the City Council requested proposals to replace the current facility in Downtown Madelia. “The current facilities range from buildings over 100 years old to a small fire hall addition from 1985” states Madelia City Administrator Chris Fischer, “We wanted to move into a space that was more efficient, affordable, and kept pace with the changing city over the last 100 years”. Plans call for the current city facilities to be redeveloped and open much needed space to a growing downtown. Fischer adds “by having one shared structure, we can utilize shared spaces throughout – along with shared services such as internet and HVAC – all saving the taxpayers money from day one.”

The new Government Center will allow the Police Station to be more visible to the community. “Currently our police station is accessible only through an alley after business hours and weekends”, said Police Chief Rob Prescher, “By being more visible to the community I believe it will enhance public safety not only to the residents of Madelia – but visitors as well.”

“This is a long time coming” adds Fire Chief Ryan Visher, “our current space is tight, and our meeting room is in the basement. We are excited to have a space that is compliant and more readily accessible to highways and key routes in our fire district.”

Upon accepting the proposal from PHLAG, that set-in motion a project that has been thought about for many years. “Here we are beginning a new chapter in the growth of Madelia” said Mayor Mike Grote, “I believe what we have here is a building our community will be proud of and will serve our community again for many generations to come.”
