WELCOME & TABLE OF CONTENTS

MICHAEL GROTE

City of Madelia Mayor

Welcome to Madelia, where we have all the benefits of small town living, yet amenities that you would expect to only see in a larger community. We have excellent schools, a state of the art medical facility, a full community of thriving businesses, many of which are in our beautiful downtown area, plus we are fortunate to have a beautiful park next to the Watonwan River featuring golfing, camping, swimming, ballfields, volleyball courts and lovely picnic areas. This is also an excellent area for hunting, fishing and snowmobiling. Madelia has so much to offer anyone who wants to come for a visit – or stay a lifetime. We invite you to visit Madelia where you will truly discover “Minnesota Nice” is not a phrase, but a way of life.

KARLA ANGUS

Madelia Chamber of Commerce Executive Director

Madelia is a community that I have called home my entire life. There is something special about this town; in fact, many of our businesses are locally owned and operated. The people here work and play together in a way that makes it a joyful experience to be part of. Madelia has something to offer residents and visitors in all four seasons of the year: a wonderful school system; entertaining community events; unique shopping experiences; excellent dining; a wide variety of service oriented businesses; plus a rich historical background that includes ties to the Jesse James/Younger Brothers Gang. Madelia really has something for the entire family to enjoy! We invite you to come and play for a day, stay for a weekend, or to consider making this home.

ENTERTAINMENT & RECREATION

LIONS CLUB PARK

Offers playground equipment and a basketball court, located on Benzel Avenue.

BASEBALL & SOFTBALL

The City of Madelia, with help from the Baseball/Softball Association and the local Boy Scout troop, made great improvements including: new fencing, rail guards, pitchers mounds, batters boxes and a new electronic scoreboard. The fields are in Watona Park.

BILLIARDS

Chalk up your cue at the Madelia Lanes bowling alley or the Madelia Legion.

SCHOOL TO NATURE AREA PROJECT

To the east of Watona Park, this area consists of walking trails, various plant life indigenous to this flood plain area and an observation deck overlooking the Watonwan River.

BOWLING

Madelia Lanes is an eight-lane bowling alley with automatic scorers.

BASKETBALL

A tennis court just south of the pool was converted into two basketball courts. Lighting is available for those who wish to play after dark.

MOVIES

With all featured presentations shown in digital format, a state-of-the-art screen and surround sound system combined with an old-fashioned marquee and quaint interior makes this little theater a rare find. Lots of leg-room, \$5 tickets and popcorn starting at two dollars makes it an even better deal.

FISHING

The Watonwan River runs along the edge of town and you can expect to reel in walleye, northern pike or catfish here. Probably the best walleye lake in the area is 1,700-acre Lake Hanska just 10 miles to the northwest. Fedji Lake, just north of Madelia, is regularly stocked with fish.

CANOEING

Madelia is located on a section of the Watonwan River designated as a State Canoe Trail. A canoe-landing site is located inside the city park. Detailed maps for canoeing and boating are available from the Department of Natural Resources.

BOATING

Fedji Lake is only four miles northeast of town and has a trailer-accessible boat ramp. Ten miles to the northwest is 1,700-acre Lake Hanska with three ramps to accommodate trailers.

WATONA CITY PARK

Located on the banks of the Watonwan River, it features a multitude of amenities. A spacious picnic area near the playground includes numerous open air sites with grills or fire pits and three covered picnic shelters offered on a first come, first served basis. Two enclosed picnic shelters are furnished with refrigerators and stoves and require reservations. The four lighted sand volleyball courts, horseshoe pits and three baseball diamonds are all open for public use. There is a modern campground with access to fishing and canoeing on the river. The park is adjacent to a nine-hole golf course, a public swimming pool, basketball courts, the county historical center and our historic bridge. It is also next to the School to Nature Area Project to the east. This area consists of walking trails, various plant life indigenous to this flood plain area and an observation deck overlooking the Watonwan River.

FRISBEE GOLF

In 2003 a nine-hole Frisbee golf course was installed at Watona City Park.

VETERANS MEMORIAL PARK

Located the corner of Benzel Avenue and Main Street. The memorial features pavers with the names of many Madelia Area Veterans.

SPORTSMAN'S CLUB

Active in several areas of interest. The club has contributed to improving the aeration of Fedji Lake and is striving toward purchasing land for hunting purposes. The club also sponsors firearm safety classes for the youngsters and sponsors trapshooting and archery for youth. For additional information about MSC, contact Doug and Staci Bottin.

SWIMMING

A 120-foot long water slide towers over the Madelia Pool. The complex also includes a wading pool, concession stand, pop vending machine, picnic table and additional seating. ENTERTAINMENT & RECREATION

SNOWMOBILING

The SnoHawks Snowmobile Club of Madelia and St. James groom trails around the perimeter of Madelia and those trails connecting Madelia with other cities.

HUNTING

The Minnesota Department of Natural Resources includes Madelia in their Southwestern Region. Due to an abundance of wooded creeks found in this part of Minnesota, you can generally find good pheasant hunting and quite a bit of opportunity for white-tailed deer hunting. Waterfowl hunting opportunities in the area include geese around St. James Lake, resident Canadian geese on Fedji Lake and ducks on Lake Hanska as well as other area lakes and marshes. The Bergdahl Wildlife Management Area near 150-acre Fedji Lake is three miles north and 1 1/2 miles to the east of town. It encompasses approximately 180 acres with many wooded areas along with marshland. WMAs are managed for wildlife production and are open to public hunting and wildlife watching.

CROSS COUNTY SKIING

The Madelia Riverside Ski Trail covers eight miles around town and through Watona Park next to the Watonwan River. A ski pass is required by law on most public ski trails in Minnesota for skiers ages 16 to 64.

GOLFING

The Madelia Golf Course is a challenging 9-hole, par 36 course, nestled along the edges of the Watonwan River and Watona City Park. The facility includes a driving range and a clubhouse serving sandwiches and snacks. Clubs and pull carts are available for rent and motorized carts for rent or lease.

HORSESHOES

Horseshoe pits are available at Watona City Park.

SNOWSHOEING

This sport has grown in popularity over that last few years. The SNAP area and Watona Park are both great places to explore.

CAMPING

An on-site manager, tables, fire pits, a modern comfort station with showers and full hookups. Primitive sites for tents are also available. The fees are very reasonable and there are sites for tents, electric only sites and full hookups. For more information call 507-642-3314 or 507-380-9440.

HISTORY

BEFORE IT WAS MADELIA

Early Settlement: In 1855, H.B. Sherman, T. Fitch and J.N. Barker came and settled in the county. They each staked out what was known at that time as squatter claims, and were the first white men ever to live in the county, known at that time as Brown County. In 1856 they were joined by C.M. Pomeroy and Mrs. Elizabeth Olds (Luther Pomeroy's grandmother). Pomeroy built the first log house in this community. Also in 1857, a townsite was laid out on the immediate bank of the Watonwan River by General Hartshorn, Dr. Sheppard and Mr. Haire. A young man named Daniel Buck, a civil engineer who had come from the east, was the man who surveyed and platted this old townsite. Afterwards he became a lawyer and later appointed as Associate Justice of the State Supreme Court.

WHERE DID THE NAME COME FROM?

The name Madelia was chosen in honor of the daughter of General Hartshorn. Madelia Hartshorn was the daughter and only child of Philander and Ann (Hornell) Hartshorn. She was born in Hornellsville - now Hornell - New York on October 10, 1827 and died there on April 3, 1845. Madelia had been dead over 12 years when she was honored by having the townsite plat named for her. In September of 1857, a plat was filed in the office of the Registrar of Deeds, at Brown County in New

Ulm, because Watonwan County did not exist. This was the plat of the area in the extreme southwest part of our village, locally and for many years known as the "Flat." The proprietors who signed the plat were Philander Hartshorn, Stephen P. Benjamin, Leander W. Sheppard, James M. Hudson and Daniel Haire.
