

Madelia Area Chamber of Commerce and Visitors Bureau

May 2022 Newsletter

Commander Michael Grote is pleased to inform the residents of Madelia that the 2022 Memorial Day events will take place as they have historically taken place.

On Saturday, May 29th starting at 9:00 am flags will be placed at the grave sites at Riverside Cemetery, Calvary Cemetery and the West Cemetery. This event is a rain or shine event and the public is invited to participate.

On Monday, May 31st - Memorial Day - There will be a wreath laying ceremony by the Veterans Memorial Committee at 9:45am, followed by the Memorial Day Parade at 10:00. After the parade there will be a program at the Madelia Elementary School. Featured speaker will be Sadie Rezac. A Memorial Day Mass will be held at Calvary Cemetery after the program at the Elementary School.

Following the Catholic Mass at Calvary Cemetery (which is scheduled for 11:15 am) there will be a 21- gun salute over the grave site of Raymond "Pete" Rooney. There will also be a 21 gun salute at Living Meadows after the Mass. The public is invited to a pot-luck dinner at the American Legion starting at 12:15pm. Hot dogs and beverages will be provided.

Residents are reminded that at 3:00 pm on Memorial Day citizens of the United States are asked to take a Moment to Remember all deceased veterans.

That was a fun 4 year celebration! We want to thank everyone that came and supported us in raising a total of \$4100 for our partners at Minnesota Assistance Council for Veterans that benefits our local veterans in need. We are so excited to see the generosity of our customers. A special thanks to Joyce Helgeson-Stensland for coming in with the winning bid of the #69 mug at a whopping \$2000! We appreciate you and everyone else who bid. It was for a great cause.

Dave Cerny and our own Douglas Fenske donated their beards for cash towards veterans needs too. It was quite the sight to see Doug go smooth faced.

We can't thank you all enough. Great people, Great community, Great times. We love it!
