AUTHOR OF "LOST BROTHERS", JACK EL-HAI

This book, winner of the 2020 Best Book award of the American Society of Journalists and Authors (history/biography), tells the story of one of the oldest known active missing-child investigations: the 1951 disappearance of the three Klein brothers in Minneapolis. An intimate portrait of a parent's worst nightmare and its terrible toll on a family, the book is also a genuine mystery, spinning out suspense at every missed turn or potential lead, along with its hope for resolution. We welcome Jack as he shares more about this book and the story it tells.
